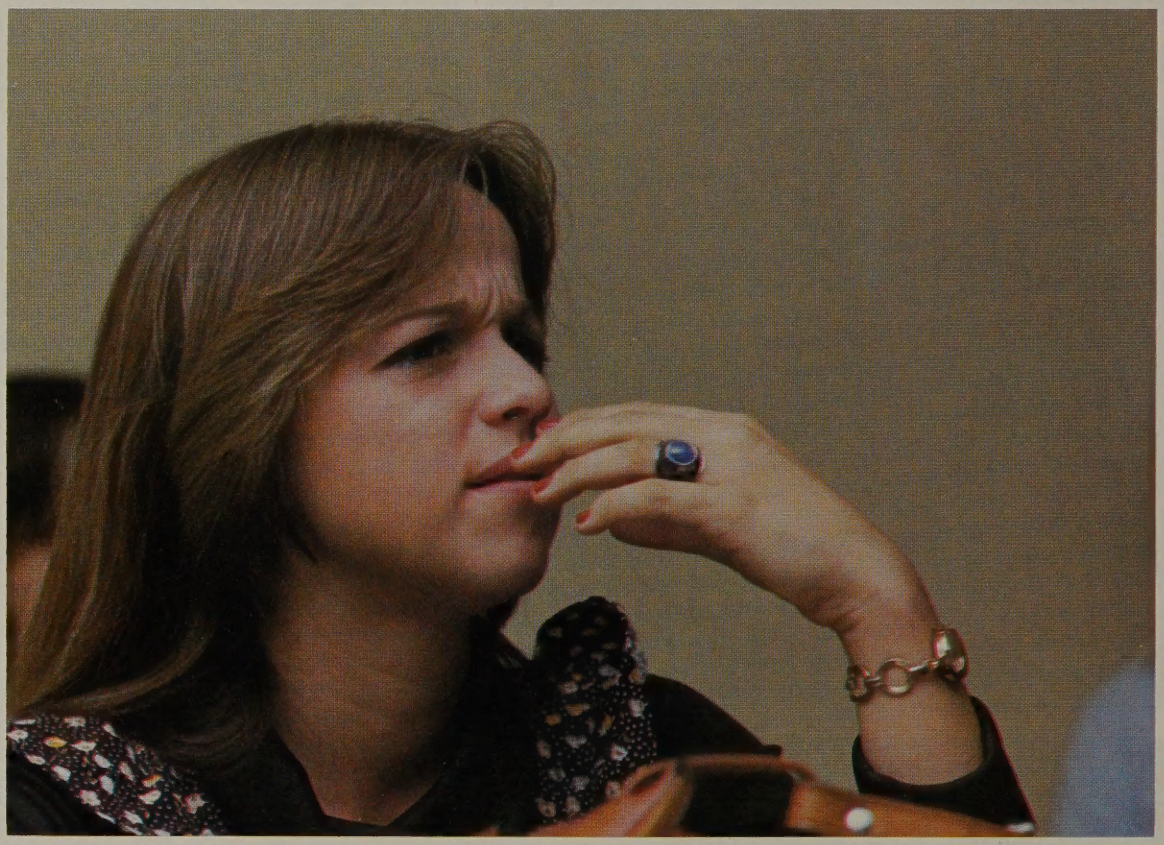
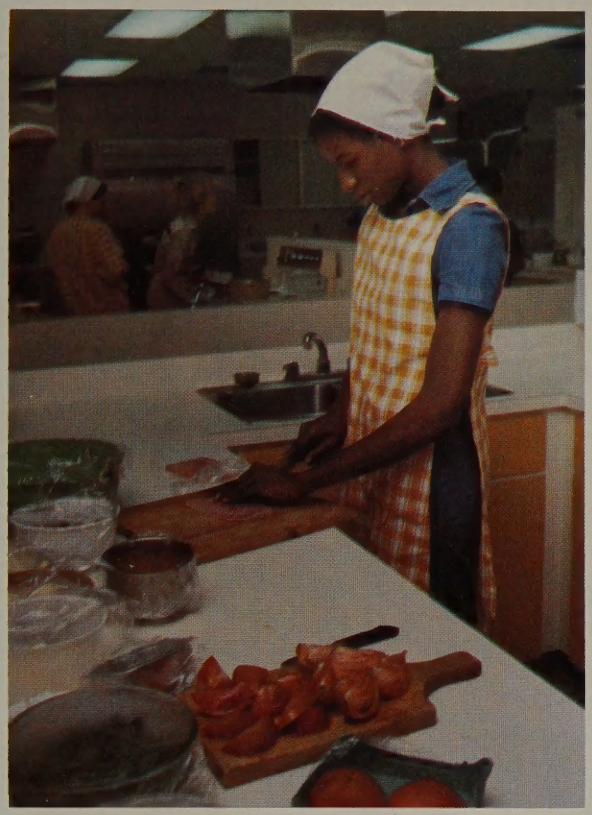
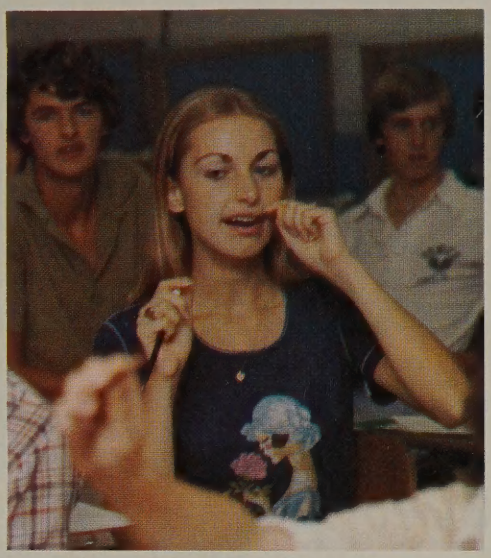
Venice High School
Venice, Florida

One of the goals of Venice High School is to give students every opportunity to learn. The formula for learning deals with questioning and reasoning. Only when you ask "why" and search for the answer does learning take place.







Do people accept you for what you are?

"No, because they only judge you from your exterior and don't take the time to see what you're really like inside, so they don't really know you as you are."
Rob Taliaferro '78

"They better because that's the only way I come."
Lissa Young '80

"There is a lot of competition in this school and because of that, people don't want to see you as you are."
Pam Slater '78

"Yea, but they don't all like it."
Jackie Morrison '79

"In the past, I was stereotyped as a 'brain' and everybody expected that of me. But now since I've gotten to know more people, they see me as I am."
Paul Thierry '78

"Yes, I give them no other choice."
Beth McIlvain '78

"If people don't like me, and I put out an effort to talk to them and like them, and they still don't care for me, then I'm satisfied because I've tried my best.
Suzanne Charles '78

Learning does not only center around the classroom. Participation in school-related activities provides many well-rounded learning situations for each individual. Often these activities require dedication, a sense of responsibility and hard work.

HIGH THERE

Much can be learned from the good times that stem from any activity because of the individuals that are involved. And when the need is felt to escape from some of the pressures, each person lets it all go in his own special way.

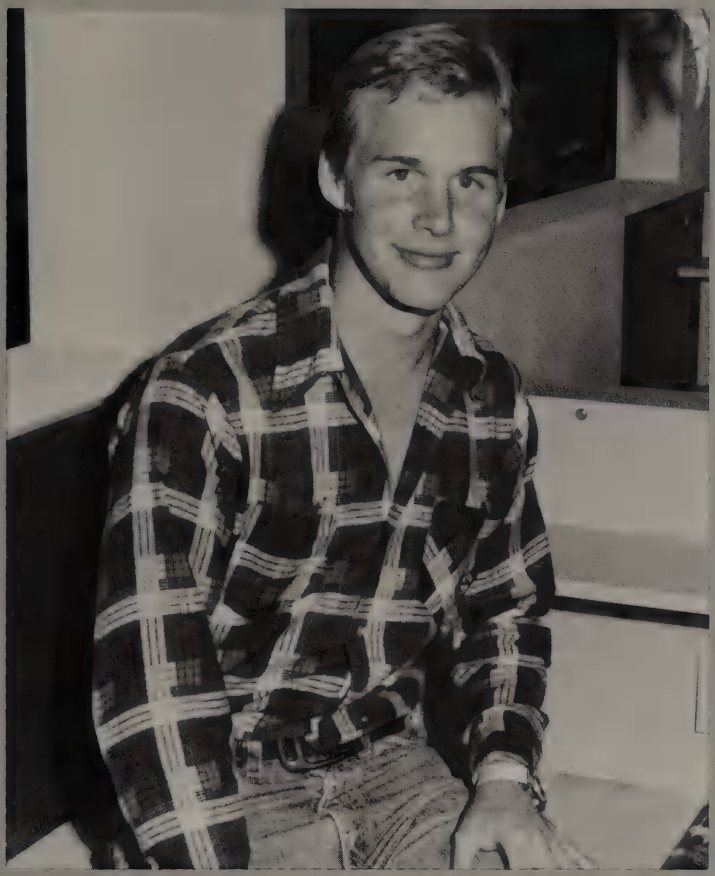
We Dedicate the '78 Warrior to Mr. Roberts

Mr. Doug Roberts began teaching mathematics at Venice High in 1972. He soon became the Junior Class sponsor and helped juniors coordinate the festivities of Homecoming, Prom and the Senior Banquet plus many hours of fund-raising. Considered a fine teacher and well liked, he is concerned with the abilities of each student as well as their willingness to participate and accept responsibility.

Through this dedication we wish to express our appreciation for your interest and help.

Foreign Students



Esko Rantanen.

Gabriele Kuhn and Ute Rudolf, both from Gelnhausen, Germany, attended Venice High this year after meeting Venice swimmers in Germany. Gabriele, 19, a senior, resided with Kim, Tammy and Julie Jansen's family. Ute, 17, a junior, lived with Terri Budner and her family. Ute swam on the VHS swim team.

Esko Rantanen, an exchange student from Espoo, Finland, attended VHS as a junior this year under the Youth for Understanding program. Esko was named an honorary member of the Key Club and played on an area soccer team. He lived with Mr. and Mrs. Ted Van Pelt.

Gabriele Kuhn *(left)*, and Ute Rudolf.

Faculty

What do you look for in a student?

"Someone who cares, who tries, who isn't afraid to ask questions, and more importantly, someone who isn't afraid to look for the answers . . . a warm body with a heart and a head, and the ability to tell the difference between the two."

Mr. Dunn

"A serious attitude toward their work, an open mind, willingness to tolerate and accept various points of view and an interest in knowledge for its own sake."

Miss Dennis

"The single most important attribute of a student is his or her ability to accept responsibility. The student who is willing to work on class projects and is generally involved in the social opportunities available at VHS is more likely to succeed in both the working world and in social situations that will come in later life."

Mr. Roberts

"An open, inquiring mind that will look for possibilities with initiative rather than meeting issues with foredrawn conclusions."

Mr. Mulligan

Should the school offer more special events?

"Yes, because it helps school spirit and builds student morale and it's a lot of fun."
Roberta Schrote '80

"Yes, because it'll keep the students busy and it'll get them interested in extra-curricular activities which keep them out of trouble."
José Gaona '78

"I think we should have more dances, if people are willing to help out."
Charlene Zelias '79

"No, I think they have enough now, but they shouldn't eliminate any because tradition is an important part of high school."
Sheila Kairis '78

"No, because if you have too many, people will get sick of them."
Donna McNulty '80

"Yes, to the point where the students are able to accept the responsibilities that surround these events."

Spirit Week

Spirit that was building since the first day of school burst forth as Homecoming week approached. The cheerleaders sponsored the class competitions, beginning with inside-out day, then jeans and overalls day, mourning day, and wrapping up the week, green and white day. The seniors won 4 out of 5, with the juniors winning only one day.

The blazing glow of the bonfire, the skits, and the announcement of the Interact sweetheart, increased the spirits of everyone. The annual pep assembly on Friday afternoon was held, with the students and faculty showing all their spirit and energy. At the parade, preceding Friday's game, the floats were displayed, with seniors winning two categories: class competition and originality.

The defeat of the Indians to Charlotte did not dampen the festivities of the Homecoming dance on Saturday night.

The Senior Class Presents "Ask Any Girl"

The Senior Class presented "Ask Any Girl," a three act comedy about a small town girl who leaves home to make it big in New York City. The play was performed in the junior high auditorium January 27th for the students and January 28th for the public.

The first presentation for the school was performed in a very imperfect way. Under the direction of Miss Latrimore the next night's performance went well. As for the actors and actresses, they gave it their best shot and indeed, we did laugh!

"Stars Unlimited" Brings Success

The Interact club, sponsored by the Venice Sarasota Rotary Club, chose a fantasy title for this year's follies presentation. Proceeds provided scholarships for seniors and at the end of the year.

The three performances offered a variety of talent such as "Freebird" played by Mike Anderson, Vince Shrewsbury, Jerry Ladies, John Vanderstel and Mike Wyatt; a modern dance performed by Kathie Dempsey and Cheryl Thomas to the tune of "Lame" and the popular song "You Light Up My Life" sung by Teresa Dalton.

Mr. Pearson joined in the fun in one of the comedy routines with Coach Charlie Powell and his trained elephant (portrayed by Donna McNulty and Penny Arze).

Other comedy spots included a "Hee Haw" skit, "Dorks," and "Short People."

The long hours of planning, organizing and rehearsing by director Pam Slater, assistant director Bessie Hummel, and sponsor Miss Wallace provided an entertaining show for audiences of all ages and an exciting experience for participants.

Junior Class presents:

"Dark Side of The Moon"

The annual Junior-Senior Prom was held on May 13th at the new Venice Civic Center. The dance was very successful with over 100 couples attending. The theme "Dark Side Of The Moon," and the band "Full Circle" set the mood for an "aerostatic" evening. There was music in the atmosphere from nine o'clock until one a.m., with tempting refreshments and glamorous couples dancing in the twilight. Many underclassmen, seniors, and alumni were present for this dynamic, yet elegant event.

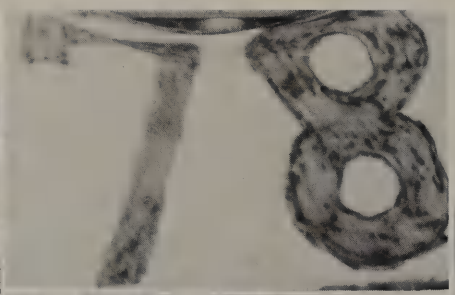
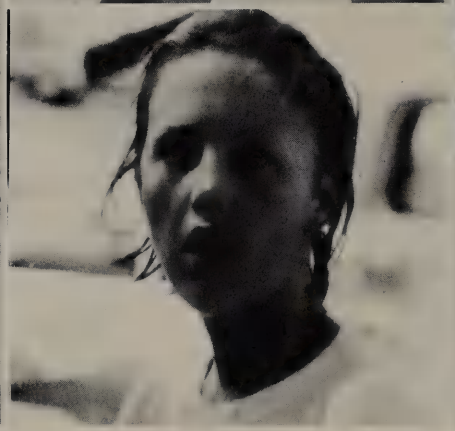
Skip Day

June 7th was a beautiful day. The sun was shining, the birds were singing, and Nokomis Beach was crowded with seniors. During the day, in keeping with tradition Coach "L" was hoisted into the air and thrown into the gulf, as seniors cheered their triumph. While lunch was being served under the pinetrees a sneak attack was launched against Colonel Walker by five of his "A" students and he too, soon found himself in the cool gulf. Games, boating, swimming, and eating made up a fun-filled "Skip Day" for '78 seniors!





Grad Nite '78

The seniors of '78 and many other high school students from all over the United States enjoyed an all night party at Disney World in Orlando. The evenings activities began at 7:00 p.m. when seniors left Venice and continued on through the night with music and entertainment. Bands such as "Hot," "High Anxiety," "Con-Funk-Sion," and "Sea Level" provided great sounds to add to the excitement. After returning home on seven air-conditioned Greyhound buses seniors still were awake enough to enjoy a Sambo's breakfast.

Venice High football coaches had a small group of Seniors with which to build a championship team. They made a valiant try at the District title but lost to St. Pete Catholic after six straight. We did win our third straight conference title.

The offensive team was led by the blocking of Dennis Adrian, Jeff Phillips and David Tubbesing. They opened holes for running backs Les Hancock, Mark Ranstadler, Vernon Charles and Steve Beebe.

The area's leading passing attack was led by Rich DeMasi to Mike Fanning.

Coach Mike Lay did one of his outstanding jobs with the defense as Keith Ewing, David Kelm, Harry Keaser and Pete Muzzonigro led the charge, backed by linebackers Anthony Maturo, Dennis Adrian, Joe Walsh and Don Shipman. Secondary coverage was led by Mark Ranstadler, Rob DeMasi and Eddie Dallis.

The Riverview win was the first of three great wins as we upset Riverview, Southeast and Tampa Jesuit on successive weeks.

Venice placed seven players on the 1977 All-Coral Coast Conference Football Team, topping all other area 3A schools. Members were: Dave Tubbesing, Rich DeMasi, Les Hancock, Mike Fanning, Keith Ewing, Jeff Phillips and Mark Ranstadler. Anthony Maturo was accorded Honorable Mention.

Jim Powell, the veteran Venice head coach, was chosen C.C.C. Coach-of-the-Year.

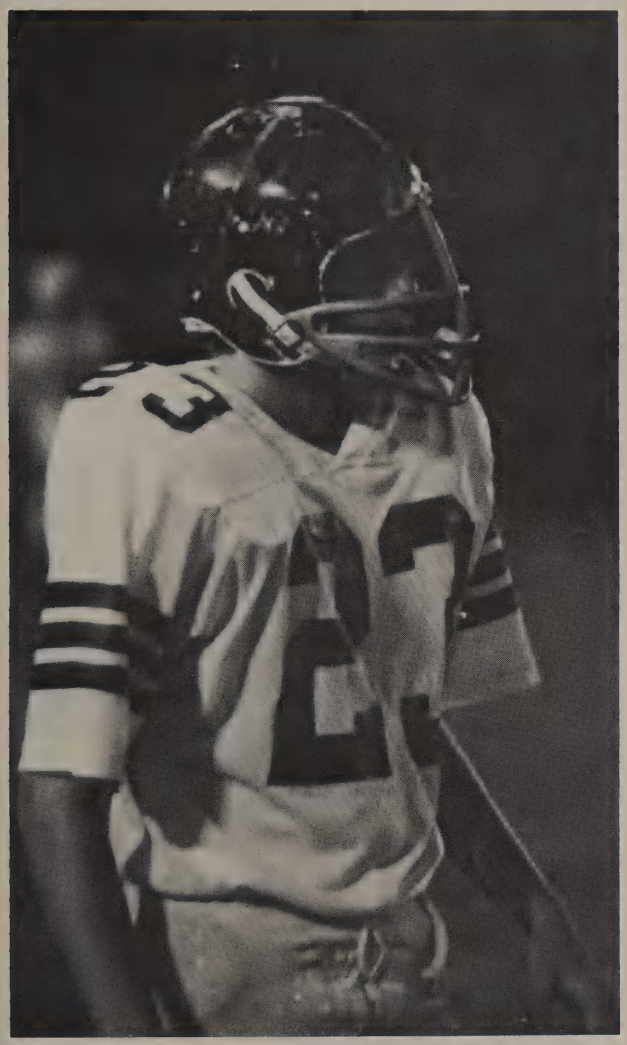
Coaches: Jim LaMorte, Ronald Drake, Larry Sandburg.

The J.V. football team started out strong this '77-78 season winning their first three games against North Fort Meyers, Sarasota, and Naples, all shut-outs. Unfortunately, our team took a drastic turn in the next four games losing against Charlotte, Riverview, Manatee and Southeast. To close the season, they won the last game against Bayshore.

Through the leadership of the Head Coach Rod Drake and Assistant Coaches Jim LaMorte and Larry Sandburg, our team met challenge after challenge for a year we can all be proud of.



Harriers Fourth In State

The boy's cross country team ended another great year by capturing class 3A, fourth place at the Florida State Championships in Deland. Coached by Charlie Powell, Venice has gone to State for the last five years taking 13th, 12th, 3rd, 2nd and 4th places. Competing with more teams than ever before, they ended up with a 105-21 win-loss record. They placed first in the county and the conference, and took second at district and regional. Rob Meyers, Rob Waldron, and Paul Thierry made all-county, conference, district and region teams. Scott Teel also made the all-county team.

The girls' team did exceptionally well despite being incomplete. Sandi Brooks, Cindy Nist, and Joyce Johnson made the all-county team. Sandi went on to make the all-district team.

Volleyball

The girls' volleyball team compiled an impressive 12-6 record in only their second year of participating in this sport. The team went to the District Tournament with high hopes, but lost to Tampa Catholic with 10-15, 5-15 scores. Early in the year they won some tough games which included a defeat of Bayshore, 15-17, 15-3, 15-4. Their coach, Miss Butch, said she felt that under the leadership of their two senior co-captains, Marilyn Arnall and Rita Schwaberow, the girls were the best team in the county.

Rifle Team

The rifle team shoots .22 rifles at 3-inch round targets from a distance of 50 feet. Accomplishments for the year include the team scoring eighth in the National Postal Match out of 35 schools involved, and in Naval District Competition Captain Dean Meinert scored sixth highest shooter.

RIFLE TEAM: *Row 1:* Robert Kelly, John Brower, Mark Clark, Mark Stookey. *Row 2:* Dean Meinert, Alan Clark, Jerry Dunn, Robby Spurlock, Sergeant Craig.

Varsity Basketball

The Varsity Basketball team, although hurting from lack of experienced players, managed to improve steadily throughout the season, constantly making it tougher for their opponents and completing the season with a 6-20 record. This was a great improvement over last year's 2-26 finish.

Awards were given to senior Rick Fathauer for Best-Defensive Player and Ron Wander for Best-Offensive Player. Rob DeMasi received the Letterman's Award and Jeff Charlotte and Ron Wander received the Most-Valuable-Player awards.

VARSITY BASKETBALL: *Row 1:* Coach Lay, Coach Mulligan. *Row 2:* Jeff Charlotte, Rob DeMasi, Mike Roberts, Joel Westfahl, Ron Wander, John Repasky, Gary Nesslar, Rick Fathauer, Troy Thomas.

Starting almost completely from scratch with a new team and a new coach, the J.V. basketball team accrued a 9-11 season record. This was of course largely due to the outstanding players on the team such as high scorer Ron DeMasi with a 10.2 per game average, Rich Alexander who was very strong in the last four games, Juan Mitchell who was tough on rebounds and defense, Brian Schuette and Bill Hopper. Coach Buck said, "though losing against stronger and more experienced teams, the games were well played."

Girls' Basketball Third in State;

The girl's basketball team proved very successful this year under the coaching of Charlie Hodges and Colleen Butch. Led by team captains Marilyn Arnall and Sandi Brooks, the team established a season record of 19 wins and 5 losses. They went on to win the county, district, regional, and sectional titles, and continued on to place third in Class 3A State competition. A first in VHS girl's basketball history.

Coaches Hodges and Butch are very proud of what the team accomplished this year. Coach Hodges says of the team: "They were very competitive and were great under pressure. This team went further than any other Venice basketball team."

Members of the "All-County Team" were Sandi Brooks, and Faye Pittman. Faye was also "Player of the Year" and Sandi was on the "All-Area Team."

The year was different in many ways for the Sophomores, but it was a beginning. Put-downs from the Seniors were part of the year-long orientation that promised the blossoming of self-confidence.

The Juniors established themselves at Homecoming. By May, Prom was their success. They had many events, such as the functional literacy test which shaped the path for succeeding classes. But more spectacles lie ahead.

Our Senior year: the time many began losing interest, direction and ideals. We look to the challenges of tomorrow. We will remember June 8, 1978.
